

AOVASC

AMSTERDAM OPEN VASCULAR COURSE

Enhance your open vascular surgical skills with this unique 2-days hands-on workshop. Course participants will be able to perform complete, skin-to-skin open vascular procedures in a life-like situation, one on one with our experienced vascular surgeons. Thanks to a unique preserving method human bodies maintain their flexibility, tissue color and can be perfused. Open surgical and hybrid procedures will be performed in state of the art operating theatres in our brand-new Amsterdam Skills Centre.

ENHANCE YOUR OPEN VASCULAR SKILLS

Carotid endarterectomy

Supra-truncal aortic clamping

Obturator bypass

Carotid-subclavian bypass

Left visceral rotation

Lateral approach AFP

Thoracic aortic repair

Infrarenal aortic repair

Crural bypass

Thoraco-abdominal approach

Mesenteric bypass

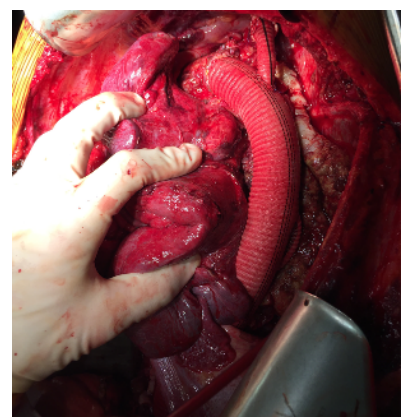

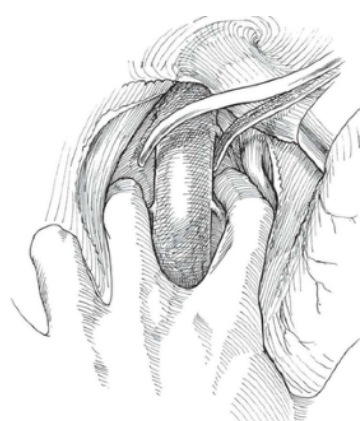

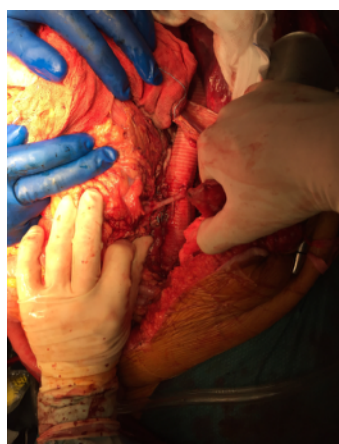

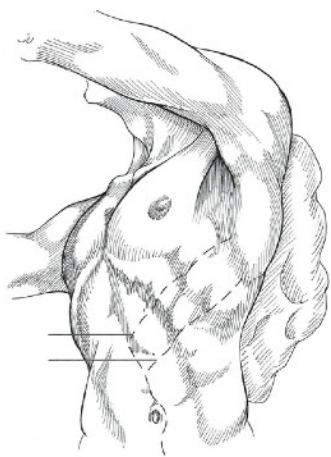

Retroperitoneal iliac bypass

Monday 17th & Tuesday 18th of June 2019

Amsterdam Skills Centre

Amsterdam, the Netherlands

COURSE INFORMATION

Two full days of hands on training with the guidance of one of our experienced vascular surgeons. After exposing the vasculature, a variety of procedures can be performed, including endarterectomy, bypass grafting, (carotid) shunting and also non-reversed venous bypass using a valvulotome. Exposure of the thoracic aorta and creating your thoracic aortic anastomosis will be part of the course. Both transabdominal and retroperitoneal approaches to the supra- and infrarenal aorta will be reviewed and trained. Furthermore, we will perform perfusion of the great vessels and test your aortic anastomosis for patency and hemostasis. After the first day the organization and sponsors are happy to present you a nice dinner.

FACULTY

Prof. dr. W. Wisselink

Prof. dr. J.D. Blankensteijn

Dr. A.W. Hoksbergen

Drs. H.J. Nederhoed

Dr. M. Truijers

Dr. K.K. Yeung

Dr. V. Jongkind

Prof. dr. R.Balm

Prof. dr. D.A. Legemate

Dr. M.J. Koelemaj

Dr. M.M. Idu

Dr. M.M.A. Lensvelt

Dr. L.C. Huisman

Dr. M.C.M. Willems

COURSE FEE

Thanks to our partners this course can be organized with a reduced fee of € 1500.
